Board meetings and attendance

The Board meets as often as necessary to fulfil its role. Directors are required to allocate sufficient time to Universal Store to perform their responsibilities effectively, including adequate time to prepare for Board meetings. During FY2021, the Board met eight times.

For full details of Directors' attendance at Board and Committee Meetings for FY2021, refer to "Meetings of Directors" on page 25 of the Company's Annual Report.

Each Director has the right to seek, at the expense of the Company, any independent professional advice that they consider necessary to fulfil their responsibilities and to exercise independent judgment when making decisions, subject to the approval of the Chair.

Background checks before appointing directors and senior executives

Prior to the appointment of a new director, the Board undertakes appropriate background checks as to his or her character, experience, education, criminal record and bankruptcy history. In the case of a director candidate, prior to appointment, the candidate is required to provide the Chair with details of other commitments and an indication of time involved, and to acknowledge that he or she will have adequate time to fulfil his or her responsibilities as a Non-Executive Director of Universal Store.

Diversity

Universal Store values a strong and diverse workforce and is committed to developing measurable objectives of diversity and inclusion in its workplace. Universal Store has implemented a Diversity Policy, with meritocracy the guiding principle, which is overseen by the Board and which aligns Universal Store's management systems with the commitment to develop a culture that values and achieves diversity in its workforce and on its Board.

In accordance with its Diversity Policy, Universal Store is committed to providing access to equal opportunities at all levels of work based on merit and fostering a corporate culture that embraces and values diversity.

The Board reviews Universal Store's Diversity Policy as necessary to ensure it complies with any applicable legal requirements and remains relevant and effective. The Diversity Policy was adopted by the Board in October 2020. The Policy is available on the Universal Store website at <https://investors.universalstore.com/investor-centre/#governance>

Measurable objectives

The Board plays a specific role in driving diversity, particularly gender diversity across the business by reviewing and approving annual diversity objectives and progress towards these objectives.

Universal Store's Diversity Policy sets out a number of responsibilities including to:

- annually set measurable objectives for achieving gender diversity in the composition of its Board, Senior Management and workforce generally and, where appropriate, other aspects of diversity including in respect of women in leadership, age diversity and cultural diversity;
- assess annually Universal Store's progress in achieving the Objectives; and
- disclose:
 - the Objectives set for the relevant reporting period and Universal Store's progress in achieving the Objectives in the Company's annual report; and
 - the respective proportions of men and women on the Board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes) or the entity's Gender Equality Indicators, as defined in the *Workplace Gender Equality Act 2012* (Cth).

The PRC and Board did not set measurable gender objectives for the financial year 2021 because the Company recently listed on the ASX in November 2020. However, it is the intention of the PRC and Board to set measurable objectives for the 2022 financial year.

Universal Store's workforce diversity as at 30 June 2021 (against 30 June 2020) is as follows:

Corporate Governance Statement (Continued)

Performance review of the Board

The Board is responsible for evaluating and reviewing the performance of the Board, both collectively and individually.

The Board and its Committees periodically self-assess their performance against a range of criteria developed annually by the PRC. Given the recent listing of the Company on the ASX in November 2020 and the recent establishment of the Board, a formal performance evaluation did not take place, instead regular in-formal discussions were held with to ensure a high functioning and engaged board throughout the 2021 Financial Year. A formal performance evaluation will be undertaken in the 2022 Financial Year after the Board has worked together for a longer period following its establishment.

Performance Review of the CEO and Senior Executives

Universal Store's Board Charter provides that the Board is responsible for monitoring the performance of the CEO and Senior Managers. The PRC is responsible for ensuring processes are in place to periodically evaluate the performance of senior managers. It is a responsibility of the PRC to annually review the performance of the CEO and, as appropriate, make recommendations to the Board on remuneration arrangements for the CEO and Senior Managers.

The performance of the CEO and Senior Managers are assessed annually with reference to agreed guidelines approved by the Board. Details of the remuneration of the Senior Executives who are considered by the Company to be Key Management Personnel are set out in the Remuneration Report.

PRINCIPLE 2: THE BOARD IS STRUCTURED TO ADD VALUE

The Board has determined not to have a separate nomination committee. Board succession issues and other matters ordinarily considered by a nomination committee are the responsibility of the Board.

The Board is satisfied that non-compliance with part of recommendation 2.1 will not be detrimental to Universal Store.

The Board's primary responsibilities with respect to nominations include:

- reviewing and recommending to the Board the size and composition of the Board, including reviewing Board succession plans and the succession of the Chairman and CEO, having regard to the objective that the Board comprise directors with a broad range of skills, expertise and experience from a broad range of backgrounds, including gender;
- reviewing and recommending the criteria for Board membership; and
- reviewing and recommending the composition and membership of the Board.

For details of the qualifications and experience of each Board member, refer to "Board of Directors", contained within the Annual Report.

Composition of the Board and details of Directors

The Board considers an Independent Director to be a Non-Executive Director who is not a member of Management and who is free of any business or other relationship that could materially interfere with or reasonably be perceived to interfere with the independent and unfettered exercise of their judgement. The Board considers the materiality of any given relationship on a case-by-case basis.

The Board regularly reviews the independence of each Director in light of information disclosed by each Director to the Board. The Chair of the Board is considered independent and separate from the CEO. The Board comprises of five Independent Directors and one Non-Independent Directors who is an executive of the Company.

The Board considers that each of Peter Birtles, Srdjan Dangubic, Kaylene Gaffney, David MacLean, and Trent Peterson is an Independent Director, free from any business or any other relationship that could materially interfere with, or reasonably be perceived to interfere with the independent exercise of the Director's judgement and each is able to fulfil the role of an independent director for the purposes of ASX Recommendations. None of these Directors are acting as nominees or representatives of any current or former shareholder of Universal Store.

Trent Peterson was previously considered to not be independent due to his role with Catalyst Direct Capital Management and their historical advisory arrangements with BB Retail Capital (BBRC). BBRC was a substantial shareholder of Universal Store, however has since sold down their shareholding and is no longer a substantial shareholder. The Board has determined that Trent Peterson is now an Independent Director.

Srdjan Dangubic was previously considered to not be independent due to his role with Five V Capital. Five V Capital is no longer a shareholder of Universal Store and the Board has determined that Srdjan Dangubic is now considered to be an Independent Director.

Dorothy Alice Barbary is considered by the Board not to be independent for the purposes of ASX Recommendations as she is the CEO of Universal Store. There is a clear division of responsibility between the Independent Non-Executive Chair and the CEO.

Each Director must provide to the Board all information relevant to the assessment of his or her independence and where a Director's independent status changes, Universal Store will immediately disclose and explain this to the market.

The below table sets out the independent status of each Director:
